

Converta Gate Overview

The Dreambaby Royal Converta 3 in 1 Play-Pen Gate is a versatile and convenient way to keep your child safe and provide a large, sturdy play area for them anywhere around the home. Easy to install and made from durable metal, this is a fantastic addition to any home.

Extra Wide Barrier

The panels can be opened to create an extra-long gate, or as a protective guard around a room or door.

Fireplace Barrier

Suitable for use as a barrier to protect your children from the dangers of a fireplace.

6 Panel Play Pen

As a play-pen, it can be set up in a variety of shapes, remaining large enough for your little ones to enjoy free space to play around in.

Configurable

It can easily be configured for different shapes depending on your needs.

Built to Last

Constructed from durable, sturdy metal, the play-pen is safe and secure to use, and will last a long time.

Easily Folds Away

The panels have secure corner attachments to connect one another, and the compact design allows for them to be stored away easily. The play-pen is portable, which makes it ideal for travelling and using in multiple areas around the home.

Walk-Through Door

The 3 in 1 Converta is built with a door which is ideal when using as a barrier gate. Also prevents having to bend over the play pen to reach your children.

Stay Open Feature

The convenient Stay Open Feature is ideal for when you need quick access for "toy clean up" time.

Wall Mounts

Wall Mounts are included for use as a barrier or guard.

Extensions Sold Separately

Two panel extensions are sold separately. You may use up to 2 extensions (four panels) per play yard.

Great for Pets too!

Use as a barrier to keep your pets away from dangers or areas they are not allowed to be in. Alternatively set it up as a play pen to keep pets confined to a certain space.
