

Protectant Wipes Matt Finish

Introduction

As a result of the increasing consumer demand for convenience, ease of use and efficiency, wipes have become an extremely popular product form. Armor All® was one of the first to introduce Armor All® Protectant Wipes Matt Finish to the automotive category.

Armor All® Protectant Wipes Matt Finish are the quick and easy way to clean your dashboard and trim without adding shine. The extra-strength wipes are specially formulated to clean vinyl, rubber and plastic surfaces.

With the growing concern among consumers on the impact of plastic on the environment Armor All is proud to announce that Armor All® Protectant Wipes are now made from biodegradable plant material and are 100% plastic free.

Available in a handy pouch format with twenty wipes per pack, Armor All® Protectant Wipes Matt Finish can be easily stored in the vehicle's glove box / door storage compartments, for even easier use!

Using Armor All® Protectant Wipes Matt Finish – Features & Benefits

Product

The quick and easy way to clean without adding shine. These durable Wipes allow you to clean your dashboard and trim, safely.
