# IMPACT DRILL/ SCREWDRIVER 20V | 30Nm

This exclusive tool set from Powerplus consists of a POWXB10060 20V impact driver, two 1.5Ah batteries, a charger and a whopping 362 accessories. Everything comes neatly packed in a handy tool case.

### POWXB10060 impact driver

This cordless impact driver from Powerplus features a torque of 30Nm, 24 torque settings and up to 19500 impacts per minute. The compact 20V battery operated power tool is equipped with a powerful and extra durable brushless motor. Even hard-to-reach places pose no problem for this easy handleable tool. The rotation speed can be chosen freely up to a maximum of 1300min<sup>-1</sup>.

The impact driver features a comfortable soft grip and an integrated work light that lights up even the darkest corners. The magnetic bit holder enables an easy change of drill bits.

### Batteries, charger and accessories

Besides the XB tool, there are also two 1500mAh batteries, a matching charger and 362 accessories stored in the tool case. The 362-piece accessory set includes several wood, stone and metal drills, 40 different screw bits and an assortment of screws and plugs.
