

Declaration of performance

№13/23.11.2020

1. **Verso Lheia**
2. Serial number is marked on the product label
3. The products are intended for heating of residential and public premises using solid fuel.
4. Manufacturer: „Verso engineering“ LTD; Gorna Orqhovitsa, „Ivan Momchilov“ 4a
5. –
6. System №3
7. „Thermoplam“ LTD, Sofia, NB2608 , Test report : 134/16.11.2020 ;
8. Declared performance:

Essential characteristics	Exploitation indicators	Standard
Heating output / Efficiency	Nominal output 7,5 kW Water heating output : - kW Efficiency - Nominal output - 80,2 %	EN 13240
Surface temperature	Pass	EN 13240
Minimal distance to combustible materials	Front =600mm ,sides=600mm, rear =600mm;	EN 13240
Electrical safety	-	-
Cleanability	Pass	EN 13240
Risk of burning fuel falling out	Pass	EN 13240
Maximum water operating pressure	-	EN 13240
Emissions of combustion products	CO 0.0858% Dust 29mg/Nm ³ NOx 104 mg/m ³ CxHy 85mg/Nm ³	EN 13240
Flue gas temperature	204 °C	EN 13240

9. The performance of the products referred to in points 1 and 2 shall correspond to the performance declared in point 8.

This declaration of performance is issued entirely under the responsibility of the manufacturer referred to in item 4.

Gorna Orqhovitsa, 23.11.2020

Manager: 
(Georgi Ivanov)
