Easy cleaning with AquaClean

Cleaning after cooking doesn't need to be a chore - our oven cleans by harnessing the power of humidity. AquaClean evaporates the water at the bottom of the oven and steam loosens otherwise stubborn grease and residue left on its surfaces. So you can easily achieve a natural clean.

Precise settings with our LED timer display

It's easy to keep track of your dishes with our LED timer display. Letting you set exact cooking times and monitor dishes as they cook. It gives you effortless oven control. So you can focus on unleashing your culinary creativity.

Grill for golden results

From crisped bacon to bubbling mozzarella, get more out of your grill than ever before. Perfect for crispy chicken wings and melt in your mouth halloumi.

Bake more at once with the XL Baking Tray

Expand the realms of deliciousness with our XL Baking Tray that lets you to cook more at once. It's time to perfect fluffy cupcakes for a mid-afternoon treat or a savoury meatloaf for friends. Because more room means more great recipes.
