6	Bodenblech	1	13	Schraubenset	1
7	Fuss höhenverstellbar	4			

Stellen Sie sicher, dass Sie Ihren Grill korrekt montiert haben. Befolgen Sie dazu die einzelnen Schritte der detaillierten Montageanleitung.

Achtung: Wir legen großen Wert auf einen möglichst einfachen Montageprozess. Die Metallteile wurden nach der Produktion entgratet, jedoch können scharfe Kanten Verletzungen verursachen. Daher empfehlen wir beim Umgang mit den Teilen während der Montage Schutzhandschuhe zu tragen.

Make sure your grill is assembled properly. Detailed assembly instructions are packed with each grill giving specific assembly procedures for each model. Follow these instructions carefully to ensure the correct and safe assembly of the grill.

Caution: Although we take every effort to ensure that the assembly process is as easy as possible, it is inherent with fabricated steel parts that corners and edged can cause cuts if improperly handled during assembly procedures. Be careful while handling any parts during assembly. It is strongly recommended that you protect hands with a pair of work gloves.

Verzekert U, dat U Uw grill correct heeft gemonteerd.

Volgt U daarvoor de afzonderlijke stappen van de gedetailleerde montageaanwijzing op.

Opgelet: Wij hechten grote waarde aan een zo mogelijk eenvoudig montageproces.

De metaaldelen werden na de produktie ontbraamd, echter kunnen scherpe kanten blessures veroorzaken.

Daarom raden wij bij de omgang met de delen gedurende de montage het dragen van veiligheidshandschoenen aan.

7	Výškově nastavitelná noha	4			

Ujistěte se, že Váš grill byl smontován správně. K tomu respektujte jednotlivé kroky detailního návodu na montáž.

Pozor: Velký důraz klademe na co možná jednoduchý montážní proces.

Kovové díly byly po výrobě zbaveny otřepů, avšak ostré hrany mohou způsobit zranění.

Proto doporučujeme při zacházení s díly během montáže nosit ochranné rukavice.

Uvjerite se da je Vaš plinski roštilj ispravno montirali.

Slijedite u tu svrhu pojedinačne korake detaljnih uputa za montažu.

Opres: Veliko značenje pridajemo što jednostavnijem postupku montaže. Metalni dijelovi su nakon proizvodnje bili izgladeni, ipak oštri rubovi mogu prouzročiti ozljede. Stoga preporučujemo kod rukovanja s dijelovima tijekom montaže nositi zaštitne rukavice.

Prepričajte se, da ste pravilno namestili žar. Sledite posameznim korakom podrobnih navodil za namestitvev.

Pozor: Velik pomen pripisujemo čim enostavnejšemu postopku namestitve.

Kovinski deli so bili po proizvodnji obrušeni, vendar lahko ostri robovi povzročijo poškodbe.

Zato priporočamo, da pri rokovanju z deli med montažo nosite zaščitne rokavice.

7	Állítható magasságú láb	4			

Ügyeljen arra, hogy a grillt megfelelően szerelje össze.

Kövesse ehhez az összeszerelési útmutatás egyes lépéseit.

Figyelem: Nagy gondot fordítunk az összeszerelés lehető legegyszerűbb folyamatára.

A gyártás után az acélarabok sárjázva lettek, de éles sarkok sérülést okozhatnak.

Emiatt a készülék összeszerelése során kesztyű használata ajánlott.

Kontroller, at du har monteret grillen korrekt.

Følg de enkelte anvisninger i den detaljerede montagevejledning.

Advarsel: Vi lægger stor vægt på, for at gøre montage så nem som muligt.

Metaldelene blev udglattet efter produktion, kan dog skarpe kanter forårsage skader.

Derfor anbefales det ved behandling af dele at bruge beskyttelseshandsker under montage.

- 1.** **Hinweis:** Bitte entnehmen Sie die Schubfächer, um die untere Blende sowie die Standfüße oder Rollen montieren zu können.
Note: Please take out the drawers to assemble the bottom decoration panel and the adjustable legs or caster wheels.

Option A

Hinweis: Bei der Montage von Laufrollen ist es später nicht möglich die unteren und seitlichen Blenden zu montieren, da sich die Rollen nicht frei drehen könnten.

Note: When mounting the caster wheels, it will not be possible to mount the bottom decoration panels and side decoration panels later on, as the wheels would not be able to rotate freely.

Option B

3.

Hinweis: Diese Teile (Schritt 3 und 4) erst nach Verbindung und Höhenanpassung mit weiteren Modulen montieren, siehe ab Seite 8.
Die Blende darf nicht bei der Version mit Laufrollen montiert werden.

Note: Please assemble these parts (Step 3 and 4) after finishing the connection with other modules and leveling the same height, see from page 8.
The bottom decoration can not be mounted on the version with casters.

Tips:

If there is a large gap in the door and one side is warped, it is necessary to open the door and tighten or loosen the outer tooth screws to adjust the gap between the doors. Then close the door to confirm whether there is still the problem, if there is a need to repeat the adjustment until there is no problem.

If there's a gap between the door and the front beam, please open the door, tighten or loosen the screws, push the door to the front and back, adjust to the proper position, tighten the screws. Then close the door to confirm whether there is still the problem, if there is a need to repeat the adjustment until there is no problem.
