EN Safety instructions
DE Sicherheitsanweisungen

The assembly must be carried out by 2 persons.
Die Montage muss von 2 Personen ausgeführt werden.

Use work gloves for assembly! To avoid scratches, use suitable supports!
Nutzen Sie Arbeitshandschuhe bei der Montage. Um Kratzer zu vermeiden, nutzen Sie eine geeignete Unterlage!

Do not install any damaged parts! If you find any damage, this must be reported to us in advance, including meaningful pictures. The parts are considered as accepted by the installation.
Installieren Sie keine beschädigten Teile. Wenn Sie Beschädigungen feststellen müssen diese mit aussagekräftigen Fotos an uns gemeldet werden. Verbaute Teile gelten als akzeptiert.

Tighten the screw connections only at the end of the assembly!
Ziehen Sie die Schraubverbindungen erst nach der Montage fest!

Ensure storm-proof ground anchoring and lock the doors! Do not set up in windy conditions!
Sorgen Sie für eine sturmsichere Bodenverankerung und schließen Sie die Türen immer ab! Nicht bei Wind aufstellen!

Keep all small parts and packaging materials away from small children during assembly. Components have sharp edges or protrude, pay attention during assembly and daily use.
Halten Sie Kleinteile und Verpackungsmaterial während der Montage von Kindern fern. Bauteile haben scharfe Kanten oder ragen heraus, achten Sie bei der Montage und im täglichen Gebrauch darauf.

In summer, very high temperatures can arise in the interior!
Im Sommer können im Innenraum sehr hohe Temperaturen auftreten!

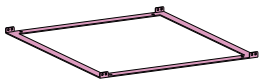

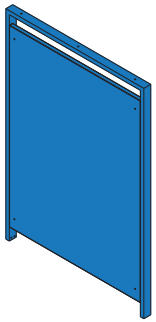

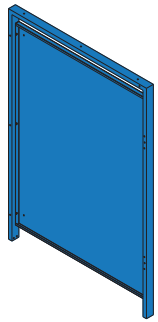

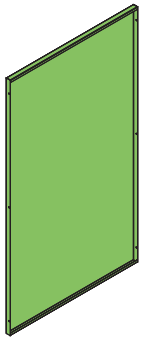

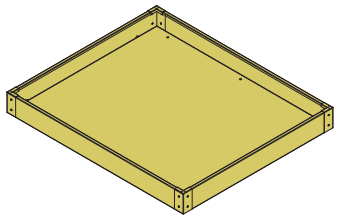

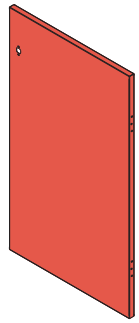

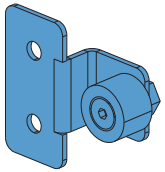

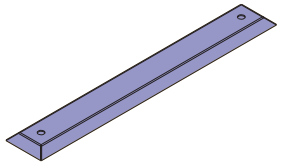

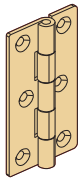

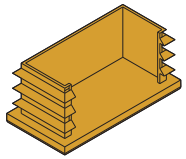

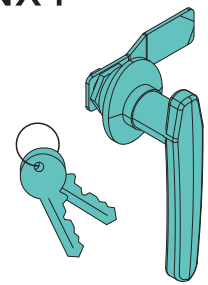

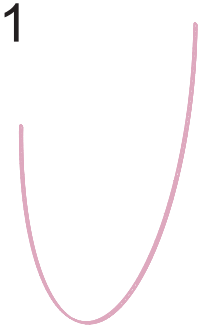

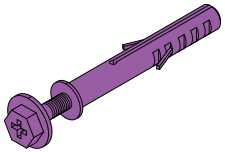

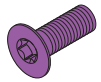

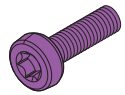

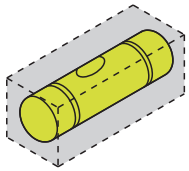

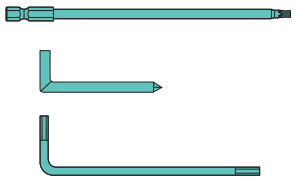

Do not store aggressive chemicals such as chlorine or road salt! Remove suntan lotion and other creams with soap and water! Do not use abrasive cleaning agents! Oil the lock and hinges annually!
Lagern Sie keine aggressiven Chemikalien wie Chlor oder Streusalz! Entfernen Sie Sonnenmilch und andere Cremes mit Wasser und Seife! Verwenden Sie keine scheuernden Reinigungsmittel! Ölen Sie das Schloss und die Scharniere jährlich!

Do not use a cover or sleeve for the product.
Verwenden Sie keine Abdeckung oder Hülle für das Produkt.

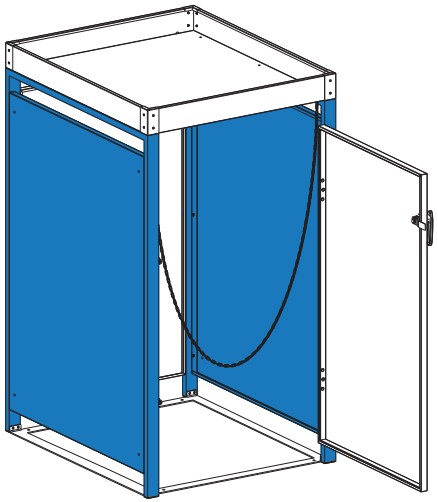

The product is only suitable for mounting on a suitable, solid underground of asphalt or concrete.
Das Produkt ist nur für die Montage auf einem geeigneten, festen Untergrund aus Asphalt oder Beton geeignet.

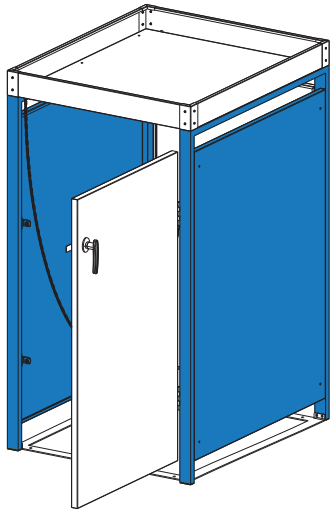

The product is not suitable for transport in the assembled state, it must be assembled at the installation site to avoid transport damage.
Das Produkt ist nicht für den Transport im zusammengebauten Zustand geeignet, es muss am Aufstellungsort zusammengebaut werden, um Transportschaden zu vermeiden.

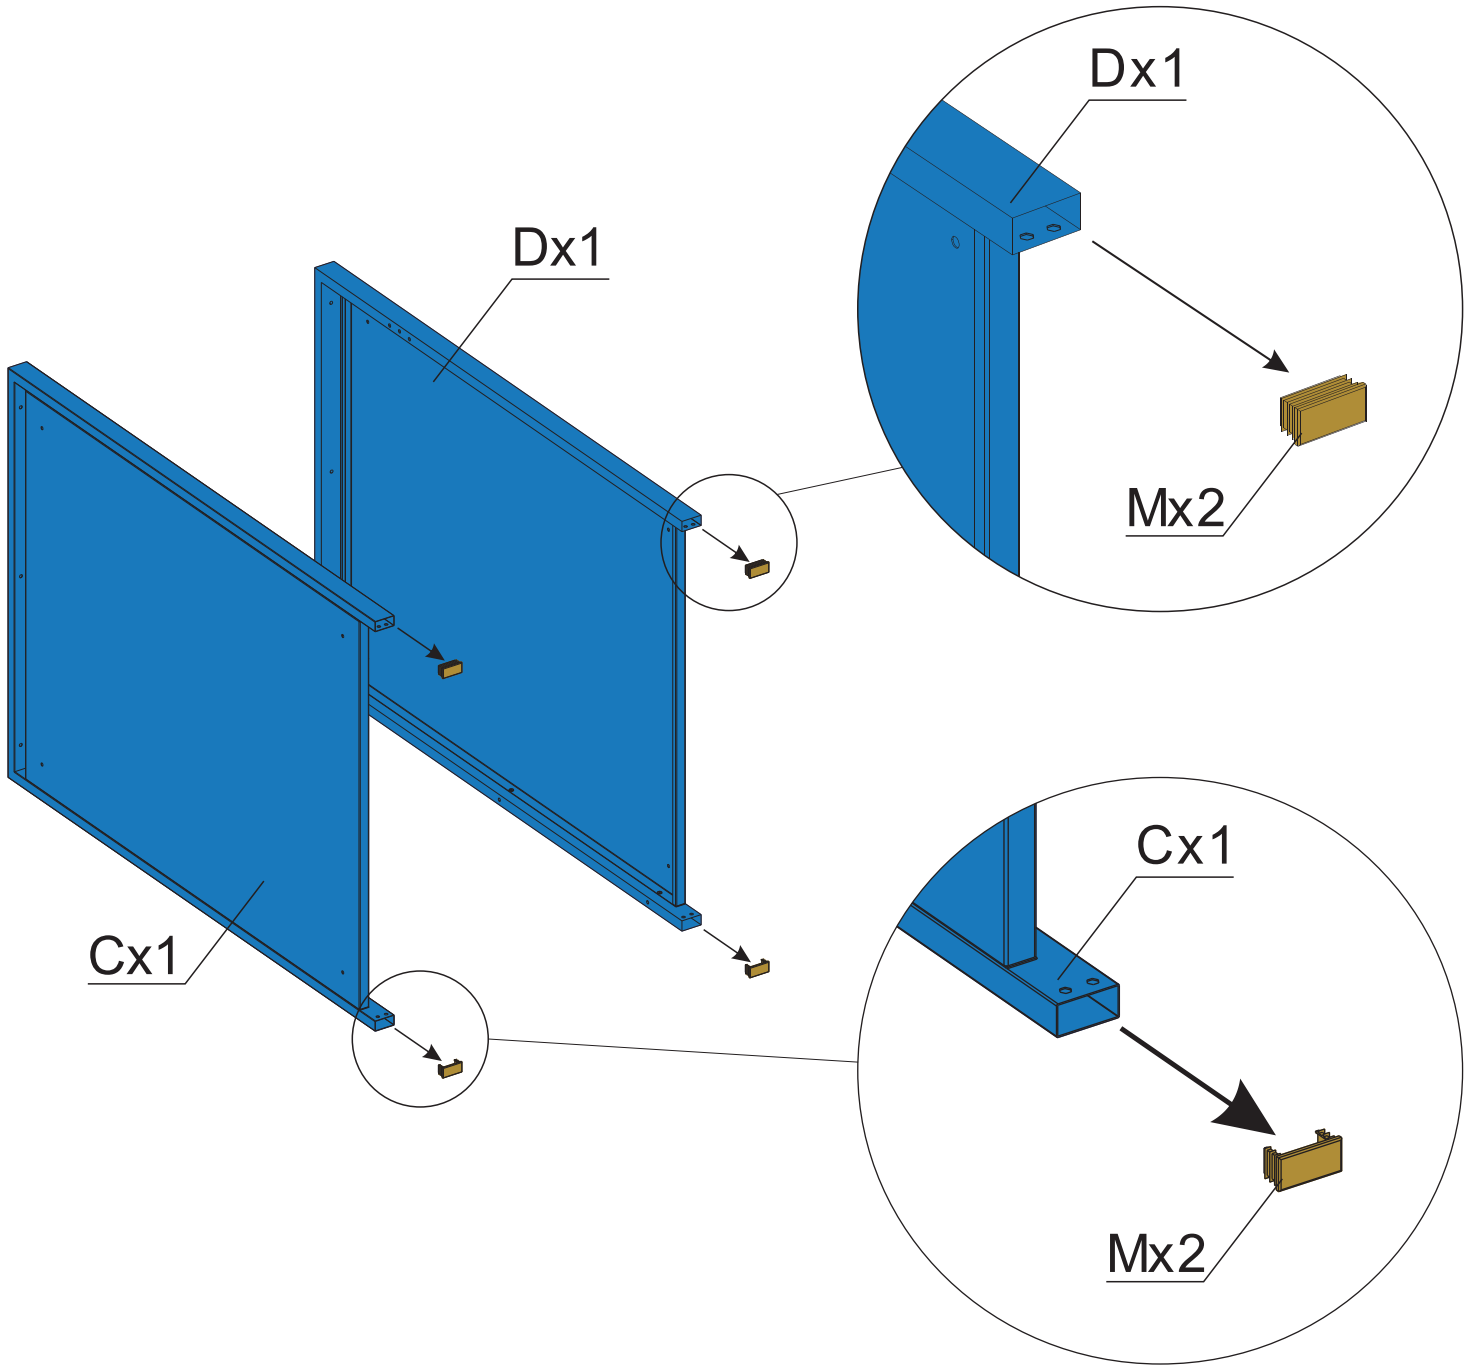

The product is only suitable for plastic waste containers with rubber castors. The use of other containers may void the warranty.
Das Produkt ist nur für Kunststoffabfallbehälter mit Gummirädern geeignet. Die Verwendung anderer Behälter kann zum Erloschen der Garantie fuhren.

IMPORTANT: THE ASSEMBLED COMPLETE CONSTRUCTION MUST NOT BE MOVED / PULLED / TRANSPORTED!

WICHTIG: DIE AUFGEBAUTE GESAMTKONSTRUKTION DARF NICHT BEWEGT, GEZOGEN ODER TRANSPORTIERT WERDEN!

EN Assembly Box 1 - Box 3

DE Montage Box 1 - Box 3

1. Align the box 1 at the final destination and mark the drill holes.

   Richten Sie Box 1 am endgültigen Bestimmungsort aus und markieren Sie die Bohrlocher.

2. Drill the holes in the underground and insert the dowels.

   Bohren Sie die Löcher in den Untergrund und setzen Sie die Dübel ein.

3. Anchor box 1 to the underground using the screws, which are screwed into the dowels. Start from left.

   Verankern Sie Box 1 mit Schrauben, welche in die Dübel eingesetzt werden. Starten Sie von links.

4. Align box 2 final, taking into account the spacers between the boxes and mark the drill holes.

   Richten Sie Box 2 aus, berücksichtigen Sie die Abstandshalter und markieren Sie die Bohrlocher.

5. Drill the holes in the underground and insert the dowels.
   Bohren Sie die Locher im Untergrund und setzen Sie die Dübel ein.

6. Connect Box 1 to Box 2 using screws + spacers between the boxes.

   Verbinden Sie Box 1 und 2 mit Schrauben und Abstandshaltern zwischen den Boxen.

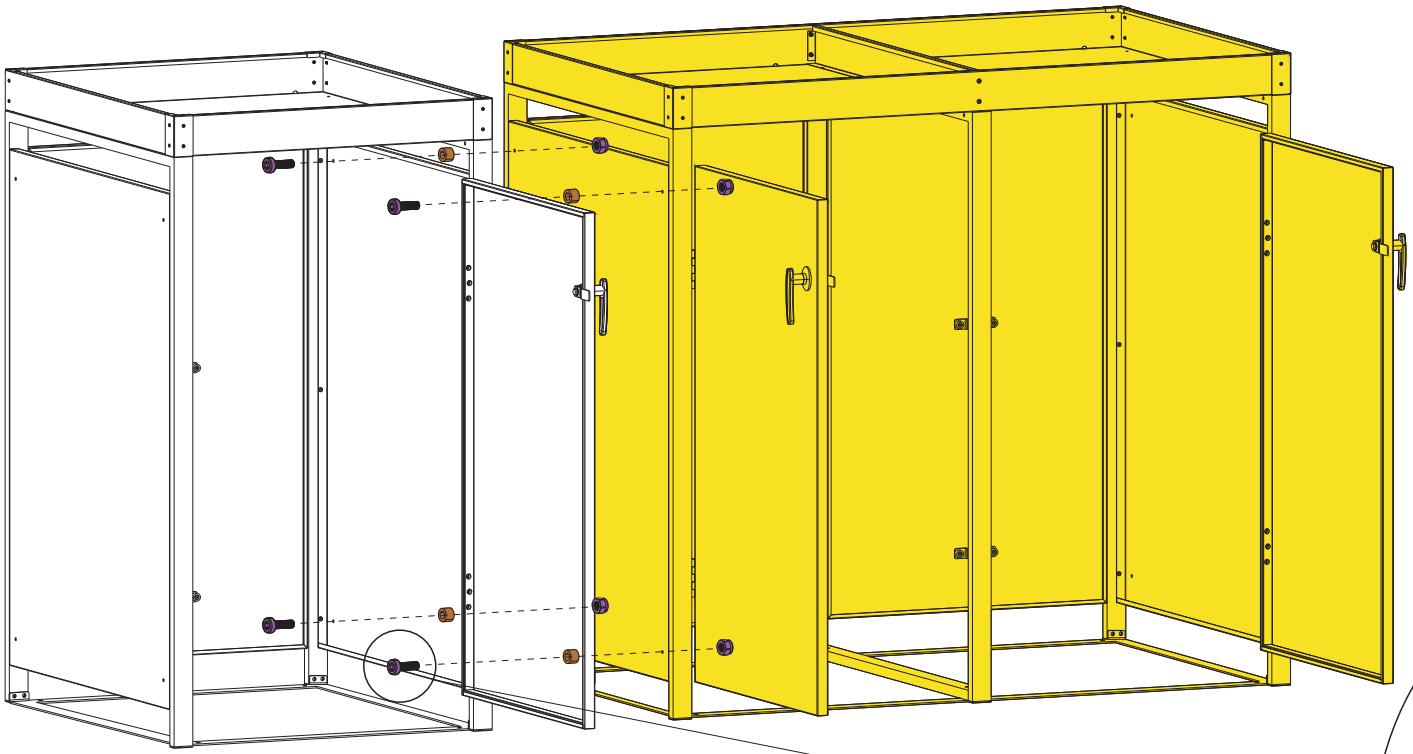

7. Anchor box 2 to the underground using the screws, which are screwed into the dowels. Start from left.

   Verankern Sie Box 2 mit Schrauben, welche in die Dübel eingesetzt werden. Starten Sie von links.

8. Proceed analogously for anchoring and connecting box 2 and box 3.

   Verfahren Sie in gleicher Weise mit Box 2 und 3.

STEP10

Hinweis: Zur Verbindung weiterer Mülltonnenboxen, verwenden Sie bitte die Teile R, T und U.
