HEDGE TRIMMER HAAGSCHAAR TAILLE-HAIE HECKENSCHERE CORTASETOS

This hedge trimmer is equipped with a 25,4 cc engine. So, plenty of power for cutting hedges and shrubs quickly with an attractive result. With a blade size of 600 mm and the laser cut double action blades, you can easily work your way through branches of up to 28 mm in diameter.

The adjustable trimming angle allows you to follow the shape of the shrub or hedge without having to stretch and bend in awkward positions. The engine with a 0,53 l tank capacity provides total freedom of movement.

The protective shield and the vibration reduction system guarantee your safety and the easy start engine lets you get to work in no time. The quick stop is also a very useful safety feature that immediately brings the knives to a halt after your activities.

Lastly, this hedge trimmer comes with an empty bottle, 2 hex keys and a spark plug wrench for easy maintenance.
