

Achtung !

Gläser niemals ungeschützt auf den Boden stellen.
Verletzung der Glaskante führt zu Glasbruch

Caution !

Never put glass walls on the floor without protection.
Damaging the glass edges results in breacking of the glass.

Attention !

Jamais placer des parois de douche en erre au sol sans protection. Des verres endommagés casseront.

Montagehinweis:
Die Wandprofile müssen ca. je 12 mm schräg montiert werden.

Installation instructions:
The wall profiles must be installed at an angle of approximately 12 mm each.

Remarque concernant le montage :
Les profilés muraux doivent être montés en biais d'environ 12 mm chacun.

3

Montage der Stabilisationsstreben siehe Strebenanleitung

For assembly of the stabilisation struts, see strut instructions

Pour le montage des entretoises de stabilisation, voir le guide des barres

4

Oberes Drehlager abschrauben
Unscrew the upper pivot bearing
Dévisser le palier rotatif supérieur

5

5.1

Drehtürelement
einbauen

Installing the hinged
door element

Installer un élément de
porte pivotante

5.2

Oberes Drehlager anschrauben

Screw the upper pivot bearing

Visser le palier rotatif supérieur

5.3

6

Schanierelement einbauen

Install hinged element

Installer une charnière

Schritt 7 beachten

Please note step 7

Respecter l'étape 7

7

Spaltdichtung einbauen
Installing the gap seal
Installer un joint d'étanchéité

10

Montage Wasserabweisprofil
Installation of water-repellent profile
Montage du profilé hydrofuge

9

Montage Magnetdichtprofil
Installation of magnetic
sealing profile
Montage du profilé
d'étanchéité magnétique

10

Duschkabine ausrichten und an
gekennzeichneten Stellen mit
Blechschauben fixieren.

Align the shower enclosure
and fix at the marked points using
with tapping screws.

Aligner la cabine de douche et fixer
les endroits marqués avec des vis à bois.
Fixer les vis à tôle.
