

**For evenly cooked dishes**

The 300 Convection Oven gets hotter faster than an average oven. Food is cooked quickly and evenly due to the fan design which distributes heat uniformly throughout the oven, making sure your food is cooked on all sides.

**Product Benefits & Features**
**Quick and effective, Even Cooking**

Our Even Cooking system circulates heat throughout the oven, making sure everything is cooked evenly. All without the need to turn your dish. Our technology means your oven heats up faster saving you time and energy.

**Steam-clean your oven with AquaClean**

With AquaClean, the oven harnesses the power of humidity to clean without harsh chemicals. First, AquaClean evaporates the water at the bottom of the oven. The steam then loosens stubborn grease and residue, so you can easily achieve a natural clean.

**SET for precise timing**

The SET function provides guided and precise time control of the cooking process through the display. Set delay start or the end of cooking with ease.

**Grill function. For faster browning and grilling**

Perfect for toasts or crispy dishes, the Grill function is faster than traditional grilling and browning.

- Built-in oven
- Oven energy class: A
- Oven cooking functions: Bottom heat, Conventional/Traditional cooking, Defrost, Fan cooking, Grilling, Moist fan baking, Turbo grilling
- Anti fingerprint stainless steel
- Oven cavity with 2 baking levels
- Electronic oven functions overview: Acoustic signal, Duration, Minute minder, Time
- Halogen oven lighting
- High gloss enamel oven lining, easy to clean
- Easy to clean door
- Cooling fan
- Trays supplied with the oven: 1 Cake tray black enamel, 1 Dripping pan black enamel
- Grids supplied with the oven: 1 Wire shelf chromed
- Electric cable length: 1.1 m

**Product Specification**

Installation type	Built_In	Thermostat	Top
Product Typology	BI_Oven_Electric	Electronic type	SET
Product Classification	Entry	Electronic Oven Control	SET (IEC60335-2-6 Amd.1)
Type	Single	Programming possibilities	Acoustic signal, Duration, Minute minder, Time
Installation	BI	Heating function - Main oven	SET_cube65_multistriP_7+0
Size, cm	60x60	Cooking elements - Main oven	Bottom, Fan, Grill, Grill + fan, Top + bottom, Top + bottom + fan
Oven Energy	Electrical	Cooking elements - Second oven	No
Cooking	Multifunction	Height, mm	590
Cleaning main oven	Aqua Clean Enamel	Width, mm	594
Cleaning second oven	No	Depth, mm	560
N° of cavities	1	Built in depth, mm	550
Design family	Electrolux 100	Built in height, mm	590
Main colour	Stainless steel with antifingerprint	Built in width, mm	560
Control Panel material	Embossment; Stainless steel with antifingerprint	Gas category	No
Door type	1 Horizontal stripe, 2 Glasses, Brand Logo on Trim, ER Graphic	Frequency, Hz	50
Handle Variant Name	Metal	Volt, V	220-240
Door type second oven	No	Cord length, m	1.1
Drawer	No	Plug Type	Schuko
Door hinges	Drop Down Equilibrated, Drop Down Removable	Total electricity loading, W	2090
Control lamps	Power on, Thermostat Indicator	Max power grill, W	2090
Hob control	No	Bottom element power, W	1050
		Top element power, W	800
		Grill element power, W	1300
