

Single-Phase Meter *Landis & Gyr CL 14*

MADE IN GERMANY

Description:

- Mechanical single-phase meter
- With long life guarantee
- For 2 conductor networks
- Mechanical drum type register
- Precision class 2 in accordance with IEC 1036
- Installation on meter cross in accordance with DIN 43857
- PTB Approval

Technical Data				
Design			Bakelite Housing	
Voltage	U	V	1x220 or 1x230	
Current	I	A	10/40	
Frequency	f	Hz	50 +/- 15%	
Counter			6/0, 6/1	
Precision	%		2	
Own Consumption	Ue	VA	< 4,5 / phase	
	Ie	VA	< 1 / phase	
Temperature range	Tb	°C	-20 ... + 60	
Protection class			IP 51	
Weight		kg	1,6	
Width	W	mm	130	
Height	H	mm	225 incl. Terminal Cover	
Depth	D	mm	120
