

**TB TOUGHBUILT**

# 142cm WORK BENCH

**TAILOR YOUR WORKSHOP  
STORAGE SYSTEM THE  
WAY YOU NEED IT**

## THE WORKBENCH WITH ITS SOLID 3.8 CM THICK HARD WOOD TOP OFFERS A STURDY WORK SURFACE FOR VARIOUS PROJECTS

The slot-tile sides are compatible with a wide range of ToughBuilt accessories such as bins, hooks, and more, allowing you to customise the workbench to suit your specific job. The height adjusts from 83cm to 106cm in 1-inch increments, so you can easily find the perfect ergonomic setup for maximum comfort and efficiency.
