Aufbau des Werkzeug / Tool assembly / Construction de l'outil

/Strumenti di montaggio/ Estructura de la herramienta

1

Stecken Sie den Schraubenschlüsselgriff in den Schraubenschlüsselkopf
Insert wrench handle into the wrench head
Insérez le poignée de la clé dans la tête de la clé
Inserire l'impugnatura della chiave nella testa della chiave
Inserte el mango de la llave en el cabezal de la llave

2

Verwenden Sie einen montierten Steckschlüssel, um die Schrauben festzuziehen/zu lösen
Use assembled socket wrench to tighten/loosen hardware
Utilisez une clé à douille montée pour serrer/desserrer les vis.
Utilizzare la chiave a bussola per stringere e allentare i dadi
Utilice una llave de tubo instalada para apretar / aflojar los tornillos
