CULTIVATOR 1050W - POWEG7010

This handy electric cultivator is ideal for any small-scale garden job. In springtime you can cultivate firm ground, aerate soil and dig in fertilisers or compost. In summer you can use our POWEG7010 for digging up weeds or cultivating flower beds and vegetable gardens. The Powerplus POWEG7010 working width equals 320mm and its working depth 220mm. It comes with an ergonomic bike handle that can be folded to store your cultivator without taking up too much place.
