## Approval of Cosmetic Product Safety Assessment

Company: O'Keeffe's Company  
Product Name: O'Keeffe's for Healthy Feet Foot Cream  
Formula #: 1430

I have reviewed the technical information contained herein. Hereby approve of the Assessment in Part B Section I, as appropriate and correct based on the information available for this product and its ingredients.

Label/Artwork translation accuracy is the responsible of the principal.

I am a duly Qualified Safety Assessor accordingly to European Union and United Kingdom law, as indicated by my qualification hereafter.

Very truly yours,

Janet Winter Blaschke, B.A., CBiol, RSB  
Qualified Safety Assessor  
CEO, ICRS LLC (US)  
Director, ICCS Ltd (UK)

23 OCT 2015

Date

**The Original copy of this Assessment is indicated by a foil embossed seal affixed to this document.**

This Assessment is valid for three years from the date above, unless otherwise advised by safety assessor. As such, I am committed to address any inquiries by the Authorities during the life of this Assessment. The Client is responsible for alerting Safety Assessor of any changes in the product and any reports of adverse effects on an ongoing basis.
