Regulatory Specialists LLC (US) Chemical Services Ltd (UK)

Approval of Cosmetic Product Safety Assessment

Company: O'Keeffe's Company

Product Name: O'Keeffe's Lip Repair Lip Balm SPF15 - Stick

Formula #: RR#00029-051-322

I have reviewed the technical information contained herein. Hereby approve of the Assessment in Part B Section I, as appropriate and correct based on the information available for this product and its ingredients.

Label/Artwork translation accuracy is the responsible of the principal.

I am a duly Qualified Safety Assessor accordingly to European Union and United Kingdom law, as indicated by my qualification hereafter.

The Responsible Person is obligated to monitor the regulatory status of all ingredients used in this product, in order to continue to maintain product compliance.

Very truly yours,

Janet Winter Blaschke, B.A., CBIol, RSB
Qualified Safety Assessor
CEO, ICRS LLC (US)
Managing Director, ICCS Ltd (UK)

MAR 21 2018

Date

The Original copy of this Assessment is indicated by a foil embossed seal affixed to this document.

This Assessment is valid for **three years from the date above**, unless otherwise advised by the Safety Assessor. As such, I am committed to address any inquiries by the E.U. Authorities during the life of this Assessment. The Client is responsible for the labelling of the product ultimately placed on the EU market, and is also responsible for alerting Safety Assessor of any changes in the product and any reports of adverse effects on an ongoing basis. This information is relevant only to be used to fulfill European Union requirements under the **Cosmetics Regulation 1223/2009**. There are **no guarantees or warranties for compliance in any other country**.
